Other Event Information: There appears to be permanent crosswalk warning signage at the existing crosswalks in question. May add another layer of temporary awareness for the drivers and police/pedestrian safety, by adding temporary BE PREPARED TO STOP signs at least 100 feet (or at the crest of the hill) before the police units with activated emergency lights parked in the curb lanes.

The barricade co. will deliver and pre-set all traffic control equipment (advanced warning signs up and in place and Type III barricades up and assembled to the side). The event staff will move the barricades into the street and close it. After the event and clean-up, the event staff will move the barricades out of the street and reopen it. The barricade co. will pick up all traffic control equipment. SIDE ROAD CLOSE AHEAD signs are optional and may be removed from Traffic Control Plan.

Affidavit of Applicant

I certify that the information contained in this Application is true and correct to the best of my knowledge and belief. That I have read, understand, and agree to abide by the rules and regulations governing this Event. I agree to comply with all requirements of the City, County and State, and any other regulatory entity related to this Event. I agree to pay and be financially responsible for any costs and fees that may be incurred by the City of Tulsa due to the Event. I further agree to indemnify and hold harmless the City of Tulsa, and all City of Tulsa officers, employees, agents, representatives, from any claims (including cost of defending such claims) or damages that may arise from activities related to the Event. I understand that a Permit does not excuse my failure to comply with orders of law enforcement personnel, firefighters, City Event personnel, or emergency workers, and does not provide immunity from civil claims of third parties that are based upon injuries sustained at, or in conjunction with this Event.
