Mitigation of Impact

Please describe your plan for cleanup and removal of recyclable goods, waste and garbage during and after your event:

Trash receptacles will be brought to set for any cast/crew waste. Production van will be parked in street parking near set to allow for equipment to be taken to set and then removed and packed back into the van quickly and easily. Once equipment is packed away at shoot's end, the area will be scanned for any waste or stray items. Trash receptacles will then be gathered and taken from location by the production crew.

Number of Trash Receptacles: 2 Number of Dumpsters: 0 Number of Recycling Containers: 1

Presented Event Concept to: Other Entities

If not present, please explain: No street closures

If Other Entities, Please Explain: Tulsa Film Office

Affidavit of Applicant

I certify that the information contained in this Application is true and correct to the best of my knowledge and belief. That I have read, understand, and agree to abide by the rules and regulations governing this Event. I agree to comply with all requirements of the City, County and State, and any other regulatory entity related to this Event. I agree to pay and be financially responsible for any costs and fees that may be incurred by the City of Tulsa due to the Event. I further agree to indemnify and hold harmless the City of Tulsa, and all City of Tulsa officers, employees, agents, representatives, from any claims (including cost of defending such claims) or damages that may arise from activities related to the Event. I understand that a Permit does not excuse my failure to comply with orders of law enforcement personnel, firefighters, City Event personnel, or emergency workers, and does not provide immunity from civil claims of third parties that are based upon injuries sustained at, or in conjunction with this Event.
