I. STATEMENT OF PURPOSE:

1. Overview and Goals

The goal of this solicitation is to secure a source to purchase Park Mowing, Trimming/Edging and Debris Removal Services for use by the Parks and Recreation Department of the City of Tulsa.

2. Term of Contract

The City intends to award a one-year annual contract. The City may offer the Seller the opportunity for additional one-year terms. The City also reserves the right to make multiple or partial awards. To do business with the City, You must agree to the terms and conditions of the City's standard Purchase Agreement, indicated by Your Authorized Agent's signature on the Purchase Agreement.

Capitalized terms used in this IFB and not defined in the Purchase Agreement shall have the meanings as ascribed to them in Title 6, Chapter 4 of the [Tulsa Revised Ordinances](#).

The entire Invitation for Bid (IFB), including any additional information submitted by Bidder and Accepted by City will be included as part of the Agreement between Seller and City. **All sheets of this IFB (including Sections I-V) must be submitted.**

Authorized Agent

Several parts of the Bid (Affidavits, Purchase Agreement) must be signed by an “**Authorized Agent**.” An Authorized Agent means an agent who is legally authorized to bind the Seller under the law of the state in which the Seller is legally organized. For instance, under Oklahoma law, the Authorized Agent for each of the following types of entities is as stated below:

- **Corporations** – the president, vice president, board chair or board vice chair can sign; others can sign if they have and provide the City with (i) a corporate resolution giving them authority to bind the Seller, and (ii) a recent corporate secretary's certificate indicating the authority is still valid.
- **General Partnerships** – any partner can sign to bind all partners.
- **Limited Partnerships** – the general partner must sign.
- **Individuals** – no additional authorization is required, but signatures must be witnessed and notarized.
- **Sole Proprietorship** – the owner can sign. Any other person can sign if s/he provides a recent Power of Attorney, signed by the owner, authorizing him/her to bind the sole proprietorship.
- **Limited Liability Company (LLC)** – The manager as named in the Operating Agreement can sign. Any person authorized by the Operating Agreement or a member can sign providing the person submits a copy of the authorization with a certificate of the members indicating the authorization is still valid.

Entities organized in states other than Oklahoma must follow the law of the state in which they are organized.

II. SCOPE OF SERVICES AND SPECIFICATIONS

1. Scope of Services

The City is requesting Bids for Park Mowing, Trimming/Edging & Debris Removal Services for Route 1 for use by the Parks and Recreation Department. Route 1 includes Boots Adams, Cecille Bales, Creek Turnpike Trail, Crescent, Fred Johnson, Graham, Heller, Helmerich, Helmerich Volleyball Courts, Hunter, Leake, Minshall, Riggs and West Highlands Parks.

Delivery Requirements

All prices quoted shall be based on delivery F.O.B. Tulsa, Oklahoma or to any other points as may be designated in the Specifications, with all charges prepaid by Seller to the actual point of delivery. Bids must state the number of Days required for delivery under normal conditions.

Absolutely no items over 500lbs. may be directly shipped to the City requiring the City personnel to unload from the shipping truck or trailer. The City carries no responsibility for any damages incurred during an unloading occurrence. All unloading shall be the responsibility of the Seller and/or shipping entity.

2. Specifications

The Bid **must** meet or exceed the following Specifications.

General Requirements:

- A. Seller shall be familiar with this type of work and have the necessary equipment and personnel to perform the work within the times specified. The Seller will be responsible for all labor, equipment and material required.
- B. The Seller shall be responsible for examining the work sites and be familiar with work required at each site. The submission of a Bid is taken as evidence that the Bidder is familiar with the work sites and work required.
- C. The work may not be sub-contracted to any other company or individual without requesting such in writing and receiving **prior written consent** from the Parks and Recreation Department.
- D. Any approved sub-contractor shall meet the same requirements of these Specifications (insurance, licensing, performance, applicable bonds) as the Seller.
- E. The Seller shall be responsible for the character and actions of its employees at all times while working on this Agreement. Any disrespectful or discourteous actions toward the public will be cause to consider termination of the Agreement.

ROUTE 1 GENERAL SPECIFICATIONS

Work Hours & Traffic Control

Work hours shall be at the discretion of the Seller provided the operations do not interfere with normal traffic or disrupt the public peace. Interference with the public shall be kept to a minimum. The Seller is required to provide signage for all work on the street right-of-way and it shall conform to *The Manual of Uniform Traffic Control Devices*. All signage costs shall be included in the Bid price.

Bidders Please Note: No mechanized work will be allowed on "ozone alert" days without written permission from the Parks and Recreation Department. This does not exclude the use of trucks.

Scheduling: A suggested daily mowing schedule has been provided by the City with each route. This schedule may be changed by the Seller and submitted for approval with Bid documents. Once a daily mowing schedule has been decided upon and the Agreement awarded, it becomes the basis for determining late charges. The Seller may not mow out of schedule to avoid penalties. Any change to the mowing schedule must be agreed to by the Parks and Recreation Department and must be in writing. Schedule changes will occur between mowing cycles only. **Should the Bid document be submitted without proposed schedule(s) from the Seller, the suggested schedule will be binding until the Seller obtains approval from the department representative for a schedule change.**

Limitations: A Seller may be the Primary Seller or Secondary Seller for this route. The route will be awarded to the lowest, secure Bidder (lowest **total** price for the route) as more fully explained in Section IV "Bid Evaluation and Award." The City will seek a Secondary Seller for this mowing route.

Penalties: The City reserves the right to deduct a penalty from any invoice where the mowing interval exceeds 14-days (including applicable non-mowing day credits as set forth herein). The penalty shall be \$15 per late day, per site and will be assessed in non/poor-performance situations only. No penalties will be assessed when delays are the direct result of weather (ozone and rain delays). However, the Parks and Recreation Department will utilize all available resources (Parks and Recreation Department personnel and Secondary Sellers) to get the Parks back on a 14-day schedule, once mowing is possible. All Sellers will be paid for the Parks that they mow subject to any penalties, chargebacks, late fees, or reduced payments as provided for herein.

Secondary Seller: The Parks and Recreation Department reserves the right to utilize a Secondary Seller any time the Primary Seller falls more than one (1) calendar day (including applicable non-mowing day credits as set forth herein) behind schedule. *The City reserves the right to charge back the price difference between the two Sellers to the Primary Seller. This is at the discretion of the Parks and Recreation Department and is intended to be assessed in non- and/or poor-performance situations. In the event that a Secondary Seller is requested to provide services due to non- and/or poor performance of the Primary Seller on more than three occasions, the City will determine if termination of the Primary Seller's agreement is appropriate. A Secondary Seller must respond within 24 hours after being asked to perform services. ***At no time will a penalty and a chargeback be assessed for the same park/service. The Parks and Recreation Department will determine which action is appropriate for each situation.**

Route 1 (each service date) --Mowing Service

Frequency: The Parks and Recreation Department expects Route 1 to be completed on a 14-day mowing cycle. Sellers will be given 1 day credit for each non-mowing day (ozone &/or rain) during one (1) mowing week. The mowing week is Monday through Saturday. Ozone days are on record. Rain day credits are at the discretion of the Parks and Recreation Department. Rain days must be requested by the Seller and approved by the Parks and Recreation Department. This is normally done by email. In the event of a disagreement between the City and the Seller on the number of rain days, it is the Seller's responsibility to provide supporting documentation.

Litter and Debris Removal: Seller shall **police park for litter, limbs (2" to 3" diameter) and other debris and remove from site.** Should Park use create excessive litter situations (common place on Mondays at certain sites), the Seller shall notify the Parks and Recreation Department of

the problem so that Park personnel can be dispatched to clean the area for mowing. The Seller will be given a day of credit when this happens and notified when the site is ready for mowing. No mowing of trash is tolerated. If the Parks and Recreation Department is required to clean up mowed debris, the City will reduce payment to Seller by 20% for that mowing cycle.

Please note: This problem can usually be avoided by the order in which Parks are mowed. The attached suggested schedules take this into account and push the problem sites to a later day in the week, providing time to the Parks and Recreation Department for cleanup. Park use does change during the year. Should the Seller need to change its mowing schedule because of repeated, heavy use, please notify the Park and Recreation Department so a new schedule can be worked out.

Mowing: Seller shall mow all large turf areas with a wide area mower (Large Area &/or Intermediate Area Parks). Mow small turf areas, around trees, signage, fence lines, shelters, edges, etc., with small area trim mowers. No clippings may be discharged onto hard surfaces, into playground play areas, into flowerbeds or any other planting areas, into shelters, onto walking trails or onto spray pool/water playground pads. The height of the cut shall be no greater than 3" and no less than 2". Cutting height is at the Parks and Recreation Department's discretion and is typically 1-1/2" to 3". Mowing quality is inspected and approved by the Park Inspector. Misses, striping, laying the grass over, etc. will not be accepted. The City reserves the right to require a site to be re-mowed at no extra charge. Late charges (\$15 per day) will apply in non/poor-performance situations. A penalty of 50% of Seller's charges to the City (per mowing cycle) may be incurred for poor performance situations. Scalping will not be tolerated. Blades, decks, and tire pressure on mowing equipment are to be checked daily.

Herbicide Spraying Option: If an herbicide option is selected, Seller shall spray mulched playgrounds, sports courts, and parking lots. Seller shall also provide debris removal on sport courts and parking lots. City shall provide herbicides and surfactants.

Monofilament Trimming: Seller shall trim grass around all signs, curbs, fence lines, building lines, trees, and steps. This service will be performed with each mowing cycle. No more than 8 hours may elapse between mowing and trimming operations.

Alternate to trimming: The Seller may use herbicides to reduce the trimming requirement with the approval of the Parks and Recreation Department. This is at the Seller's discretion. Should the Seller choose to use herbicides in the place of trimming, Seller shall provide the service at no additional cost to the City. In addition, the Seller is required to satisfy all licensing requirements of the State of Oklahoma Department of Agriculture. The Seller must provide the Parks and Recreation Department with a copy of all required licenses. Width of treatment may be no more than 4". Kill must be complete with no volunteer vegetation. Dead vegetation shall be no taller than mowing height. All sidewalks, parking lots, and roadways need to be free of all vegetation. Line trimming is permitted.

Suggested Ingredients: Quick Pro™, Pennant™, Barricade™, Celsius™ and Gallery™. Application recipes must be submitted to the Park and Recreation Department and written permission obtained before application. Chemical edging around lakes, ponds or lagoons must conform to aquatic herbicide regulations. A different application recipe must be submitted and approved for those areas.

Suggested Interval: Six (6) weeks. Repeat applications will not always require the pre-emergent herbicides listed above.

Mechanical Edging: Seller shall edge all sidewalks, curbs, and concrete pads with a **bladed** edger. No more than 8 hours may elapse between mowing and edging operations.

Clean-Up: Seller shall remove all clippings from walking trails, shelters, concrete pads, sports courts, curbs, parking lots and breezeways. No more than 8 hours may elapse between mowing and clean-up operations.

Damage: Any damage (chemical or mechanical) to fences, irrigation system components, newly planted trees/shrubs, flowerbed borders, existing trees, etc., are the responsibility of the Seller and shall be restored to their original condition at no added cost to the City of Tulsa.

Reporting: The Seller shall notify the Parks and Recreation Department and the Parks Inspector of service completion dates, by email, text, or fax within 24 hours of completion. All mowing, trimming (if applicable), edging and clean-up shall be completed on the date reported. Inspections are typically performed the next day. Should the Park Inspector or the Parks and Recreation Department require a site to be redone, the previously reported completion date is nullified, and the Seller must submit a new completion date. Late charges (\$15 per day) may apply.

Payment: The Parks and Recreation Department prefers to make payments by credit card after invoice verification (normally two working days). All fees associated with credit card payment are the responsibility of the Seller and should be included in the Bid price. When a Seller is paid by check, the length of time to payment is not under the Park and Recreation Department's control. Should the Seller elect to be paid by check, no promises are made by the Park and Recreation Department as to the time to payment (it has been as long as six (6) weeks).

Route 1 -- Large Area Parks -- Five (5) or more acres

Sellers must have one (1) set of the minimum required equipment and manpower to be awarded as Primary Seller.

Minimum Required Equipment:

Three (3) 52" to 72" rotary bladed trim mowers

Three (3) weed eaters.

Three (3) bladed edgers

Three (3) backpack blowers

Trucks and trailers as needed for hauling.

The Bidders must have the necessary equipment and manpower to perform the work. The City representative may reduce the number of required pieces of equipment should the Bidder have more than one (1) route. However, the Bidder must have at least one wide-area (15' or wider) mower. Bidders must submit an equipment and employee list with their Bid. The City reserves the right to visually inspect and verify the equipment list before awarding any Agreement.

Minimum Crew Size: Three (3)

Optimal Crew Size: Four (4)

Additional Areas:

The Parks and Recreation Department Management section reserves the right to make additions to or deletions from the specified locations by giving the Seller a seven (7) day written notice of intent. If the City determines that any site listed on Attachment “A” does not need service either temporarily or on a permanent basis, the Seller will delete that site from their area list and will not invoice the City for that site.

- If the Purchasing Agent deems it appropriate due to large-scale disruptions in supply chains and the transportation industry that may have prevented delivery as required,
- If documented weather conditions caused the late delivery. You must provide documentation of such weather to the satisfaction of the Purchasing Agent.

In the event that the Bid submittal is delivered after the time specified and does not meet the exceptions listed above, the Bid will not be accepted, and the submittal envelope will not be opened.

The City will not be liable for delays in delivery of Bids to the City due to handling by the U.S. Postal Service, or any other type of delivery service. The City reserves the right to postpone the date and time for submittal of Bids at any time prior to the Bid Opening Date or to delay or reschedule the Bid Opening Date for its own convenience.

The City reserves the right to cancel, revise, or amend this IFB and associated bidding documents up to the time specified for receipt of Bids.

IV. BID EVALUATION AND AWARD

- 1. Bid Evaluation:** The Assigned Buyer and departmental staff will work together to determine the winning Bid. Generally speaking, the Bid award will go to the **Lowest Secure Bidder: the Supply or Service that can best meet the City's needs at the lowest cost.** In addition to price and specifications, the Buyer and departmental staff may also evaluate Bidder history and experience, delivery time, maintenance requirements, and performance data, among other factors.
- 2. Bid Rejection or Withdrawal:** The City may reject any or all Bids in whole or in part. Reasons a Bid may be rejected include, but are not limited to the following:
 - A submitted Bid does not contain all the necessary materials, signatures, and/or affidavits (listed on the included checklist),
 - The Bid does not meet specifications and requirements in some material way,
 - The Bidder holds outstanding debt to the City,
 - The Bidder adds additional terms and conditions that modify IFB requirements or attempt to limit Bidder's liability to the City.

City reserves the right to waive minor deficiencies of specifications, technicalities, or informalities in a Bid, provided that the best interest of the City would be served without prejudice to the rights of other Bidders. Bid withdrawal, meanwhile, may only be accomplished by having an Authorized Agent request the withdrawal in person at the City Clerk's office before the City's close of business on the Bid Submission Date.

3. **Bid Award Recommendation and Appeal:** Upon confirming the Bid recommended for selection, the Assigned Buyer will email all participating Bidders a memo announcing the recommended Bid. This email will also share the time, date, and virtual meeting link for the Standard, Specifications, and Award (SSA) committee meeting where the Bid award recommendation will be reviewed.

If approved by SSA, the award recommendation is then sent to the Mayor for the Mayor's final approval. SSA meetings are held Thursdays at 8:30am in the City of Tulsa Council Meeting Room, 175 East 2nd Street, 2nd Floor, Tulsa, Oklahoma. The meeting will be held on a given Thursday at 8:30 am, depending on when the Bid award has been determined. During this meeting, Bidders who are not recommended for award can issue an appeal and ask that the Bid award be reconsidered. Bidders who are not recommended for award can also email the Assigned Buyer prior to the SSA meeting if they have any questions or concerns regarding the award recommendation.

If/when the Bid award is approved by the SSA committee, the City will make available on the City's Purchasing Website a summary of Bids received generally within 5 working days after the Bid Opening Date. After a Bid award is recommended to the Mayor, a copy of the Bid summary will be available in the City Clerk's Office. Bid results are not provided in response to telephone or email inquiries. All Bid awards are subject to Acceptance by the City.

V. BID PROCESSING

1. **Forms, Notice to Proceed, and Irrevocability of Offer:** If the City Accepts Your Bid, You will have ten (10) Days from notification of the Acceptance to provide a completed IRS form W-9. You cannot start work until authorized to do so by the Purchasing Agent or a representative.

Bidder understands and acknowledges that the offer submitted as the Bid is firm and irrevocable from the City’s close of business on the Bid Submission Date until the date the City Accepts the Bid or 365 Days after the Bid Opening Date, whichever is earlier.

2. **Purchase Order Without Contract:** If the successful Bid is less than One Hundred Thousand Dollars (\$100,000), the City, in its sole discretion, may Accept the Bid upon written approval of the Mayor rather than execute the Purchase Agreement. 4. **Term.** The term of the Agreement begins on the date the Mayor/Mayor Pro Tem of the City of Tulsa executes this Purchase Agreement and terminates one year from that date. City in its sole discretion may offer Seller an opportunity to renew this Agreement up to an additional four (4) one (1) year term(s). Seller understands and acknowledges that any future contracts or renewals are neither automatic nor implied by this Agreement. City's continuing purchase of the Supplies and/or Services set forth in this Agreement is subject to City's needs and to City's annual appropriation of sufficient funds in City's fiscal year (July 1st to June 30th) in which City purchases Supplies and/or Services. The City may extend the Agreement for ninety (90) days beyond a final renewal term at the price and upon the delivery terms set forth on Exhibit A – Delivery and Pricing. The City, at its sole option and to the extent allowable by law, may choose to exercise subsequent ninety (90) day extensions upon the price and upon the delivery terms set forth on Exhibit A – Delivery and Pricing to facilitate the finalization of related terms and conditions of a new award or as needed for transition to a new Seller.

5. **Supplies Warranty.** With respect to all Supplies to be delivered under this Agreement, Seller warrants to City that such Supplies will be of good materials and workmanship and free from defects and will conform to the Specifications provided by City. In addition, Seller shall assure that the Supplies purchased hereunder are covered by all available and applicable manufacturers' warranties for such Supplies and expressly agrees that it will be responsible for performing all warranty obligations set forth in the Specifications for the Supplies.
6. **Services Warranty.** With respect to all Services to be performed under this Agreement, Seller warrants that it shall perform the Services using personnel of required skill, experience, and qualifications and in a professional and workmanlike manner in accordance with generally recognized industry standards for similar services and in accordance with the Specifications provided by City.

Seller shall pay all expenses related to the return of such Supplies to Seller.
9. **Rejection, Seller Bears Risk.** All Supplies and Services purchased in the Agreement are subject to approval by the City. Rejection of Supplies or Services, resulting because of nonconformity to the terms, conditions, and Specifications of this Agreement, whether held by the City or returned, will be at Seller's risk and expense. Seller shall bear the risk of loss or damage at all times until the Acceptance of the Supplies or Services by City.
10. **Force Majeure.** Seller will not be responsible for delays in delivery of the Supplies or Services due to acts of God, government action or inaction, fire, war, or riot, provided Seller notifies the City immediately, in writing of such pending or actual delay. Normally, in the event of any such delays (acts of God, etc.) the date of delivery of the Supplies or Services will be extended for a period equal to the time lost due to the reason for delay.
11. **Conflict of Interest.** By signing this Purchase Agreement, Seller covenants that it has no direct or indirect pecuniary or proprietary interest, and that it shall not acquire an interest that conflicts in any manner or degree with the Supplies or Services required to be provided or performed under the Agreement. Accordingly, and pursuant to Oklahoma law, City shall not indemnify nor hold Seller harmless for loss, damage, expense or liability arising from or related to this Agreement, including any attorneys' fees and costs. In addition, Seller shall not limit its liability to City for actual loss or direct damages for any claim based on a material breach of this Agreement. City reserves the right to pursue all legal and equitable remedies to which it may be entitled.
13. **Liability/Indemnification.** Seller shall hold City harmless for any loss, damage or claims arising from or related to its performance of the Agreement. Seller must exercise all reasonable and customary precautions to prevent any harm or loss to all persons and property related to the Agreement. Seller agrees to indemnify and hold the City harmless from all claims, demands, causes of action or suits of whatever nature arising out of the Supplies, Services, labor, or materials furnished by Seller or Seller's subcontractors under this Agreement. In addition, Seller agrees to indemnify, defend, and save harmless City and its officers, employees and agents from all suits and actions of any nature brought against them due to the use of patented appliances, products or processes provided by Seller hereunder. 14. **No liens.** Pursuant to City's Charter (Art. XII, §5), no lien of any kind shall exist against any property of City. Seller shall deliver all Supplies to City free and clear of liens. Delivery by Seller to City of Supplies which are subject to liens shall be a material breach of the Agreement and all damages and costs incurred by City because of the existence of such liens shall be paid to City by Seller. At City's option, City may return such Supplies to Seller and Seller shall pay the cost of returning such Supplies and reimburse City for any payments made for such Supplies.
15. **No Insurance by City.** If City is leasing Supplies herein, City shall not be required to obtain insurance for Seller's property. Seller shall be solely responsible for any insurance it deems necessary. City is self-insured for its own negligence, subject to the limits of the Governmental Tort Claims Act (51 O.S. § 151 et seq.).
16. **No Confidentiality.** Seller understands and acknowledges that City is subject to the Oklahoma Open Records Act (51 O.S. §24A.1 et seq.) and therefore cannot assure the confidentiality of this Agreement or other information provided by Seller pursuant to this Agreement that would be inconsistent with City's compliance with its statutory requirements thereunder.

If City terminates this Agreement, City shall be liable only for payment for Supplies accepted and Services rendered prior to the effective date of termination. City's right to terminate this Agreement is cumulative to any other rights and remedies provided by law or by this Agreement.
19. **Payment.** Invoices should be e-mailed to the City of Tulsa – Accounts Payable at: apinvoices@cityoftulsa.org. Payment will be made net 30 days after receipt of a properly submitted invoice or the City's Acceptance of the Supplies or Services, whichever is later.

The purchase order number shall appear on all invoices, packing lists, packages, shipping notices, instruction manuals and other written documents relating to the Supplies or Services. Packing lists shall be enclosed in each and every box or package shipped pursuant to this Agreement, indicating the content therein.

20. **Price Changes.** The parties understand and agree that the variables in Seller's cost of performance may fluctuate, but any change in Seller's cost of performance will not alter its obligations under this Agreement, nor excuse performance or delay on Seller's part. Notwithstanding the foregoing, after the first year of the term, the Seller may request a price increase in addition to any other price increase set forth in this Agreement. In its sole discretion, the City may approve the request if it determines that such price increase is in the City's best interest.
21. **Right to Audit.** Seller agrees that Seller's books, records, documents, accounting procedures, practices, price lists or any other items related to the Supplies and/or Services provided hereunder are subject to inspection, examination, and copying by City or its designees. City requires Seller to retain all records related to this Agreement for the duration of the term of this Agreement and a period of three years following completion and/or termination of the Agreement. If an audit, litigation or other action involving such records begins before the end of the three-year period, Seller shall maintain the records three years after the date that all issues arising out of the action are resolved or until the end of the three-year retention period, whichever is later.

For any exception to the delivery date specified in the Agreement, Seller shall give prior written notification and obtain written approval from the City. The Acceptance by the City of later performance with or without objection or reservation shall neither waive the City's right to claim damages for such breach nor constitute a waiver of the requirements for the timely performance of any obligation remaining to be performed by Seller.
26. **Binding Effect.** This Agreement shall be binding upon City and Seller and their respective successors, heirs, legal representatives and permitted assigns.
27. **Headings.** The headings used herein are for convenience only and will not be used in interpreting this Agreement.

The parties stipulate that venue is proper in a court of competent jurisdiction in Tulsa County, Oklahoma and each party waives any objection to such venue. City does not and will not agree to binding arbitration of any disputes.
30. **No Waiver.** A waiver of any breach of any provision of this Agreement shall not constitute or operate as a waiver of any other provision, nor shall any failure to enforce any provision hereof operate as a waiver of the enforcement of such provision or any other provision.
31. **Entire Agreement.** The entire agreement between City and Seller is contained in the Agreement. No verbal agreement between the parties is binding. Any scope of services, scope of work, quote, invoice, acknowledgment or other communication or other document issued by Seller in connection with this Agreement will be for the purposes of describing in greater detail the Supplies and/or Services (as applicable) to be provided. Seller's rejection or modification of the terms set forth in the City's IFB is void and of no effect, unless any such modification improves upon the City's terms or Specifications, in which case the improvement is accepted. Seller understands and acknowledges that if it adds terms and conditions to its Bid that are different from the terms set forth herein that City may reject the Bid as non-responsive.
32. **Amendment/No Assignment.** The Agreement may only be modified or amended in a writing signed by both parties. Notwithstanding anything to the contrary stated herein or in the attachments to this Agreement, no future agreements, revisions or modifications that may be required under this Agreement are effective or enforceable unless such terms, revisions or modifications have been reduced to writing and signed by City and Seller.
