Bid Date: October 17, 2024

Senior Buyer: Samantha J. Toothaker
stoothaker@cityoftulsa.org
Please contact if You have any questions

1. Delivery:

If Your Bid is Accepted, state the number of Days You need to deliver the Supplies and/or to begin providing Services on the lines below:

At the sole discretion of the City, Sections of the Agreement may be awarded to multiple Bidders. It is preferred that Bidders provide a Bid on all items in the Agreement; however, Bidders must provide a Bid for all items in any given section on this Exhibit A - Delivery and Pricing Bidder will not be considered for award for any section where Bidder Fails to Bid all items.

If an item listed in the Bid is no longer available, then a substitution may be suggested by the Seller for approval by the Traffic Engineer, but specifications and cut sheets on the replacement product must be submitted with the Bid. The Bidder will not be considered for award for any section where Bidder offers a substitution for an item but fails to provide specifications and cut sheets for the proposed substitution.

You must be able to deliver the Goods and/or Services as specified in Your Bid. Failure to do so may result in City terminating Your contract or canceling the Purchase Order, pursuing collection under any performance bond, as well as seeking any other damages to which it may be entitled in law or in equity.

2. Pricing

Please contact if You have any questions

1. Delivery:

If Your Bid is Accepted, state the number of Days You need to deliver the Supplies and/or to begin providing Services on the lines below:

At the sole discretion of the City, Sections of the Agreement may be awarded to multiple Bidders. It is preferred that Bidders provide a Bid on all items in the Agreement; however, Bidders must provide a Bid for all items in any given section on this Exhibit A - Delivery and Pricing Bidder will not be considered for award for any section where Bidder Fails to Bid all items.

If an item listed in the Bid is no longer available, then a substitution may be suggested by the Seller for approval by the Traffic Engineer, but specifications and cut sheets on the replacement product must be submitted with the Bid. The Bidder will not be considered for award for any section where Bidder offers a substitution for an item but fails to provide specifications and cut sheets for the proposed substitution.

You must be able to deliver the Goods and/or Services as specified in Your Bid. Failure to do so may result in City terminating Your contract or canceling the Purchase Order, pursuing collection under any performance bond, as well as seeking any other damages to which it may be entitled in law or in equity.

2. Pricing

Please contact if You have any questions

1. Delivery:

If Your Bid is Accepted, state the number of Days You need to deliver the Supplies and/or to begin providing Services on the lines below:

At the sole discretion of the City, Sections of the Agreement may be awarded to multiple Bidders. It is preferred that Bidders provide a Bid on all items in the Agreement; however, Bidders must provide a Bid for all items in any given section on this Exhibit A - Delivery and Pricing Bidder will not be considered for award for any section where Bidder Fails to Bid all items.

If an item listed in the Bid is no longer available, then a substitution may be suggested by the Seller for approval by the Traffic Engineer, but specifications and cut sheets on the replacement product must be submitted with the Bid. The Bidder will not be considered for award for any section where Bidder offers a substitution for an item but fails to provide specifications and cut sheets for the proposed substitution.

You must be able to deliver the Goods and/or Services as specified in Your Bid. Failure to do so may result in City terminating Your contract or canceling the Purchase Order, pursuing collection under any performance bond, as well as seeking any other damages to which it may be entitled in law or in equity.
