Creative Technique 1: Mind Mapping

Mind Mapping

Creative Technique 2: Role-Playing

Role-Playing

"How would I approach the idea of having more recreational opportunities as a different character?"

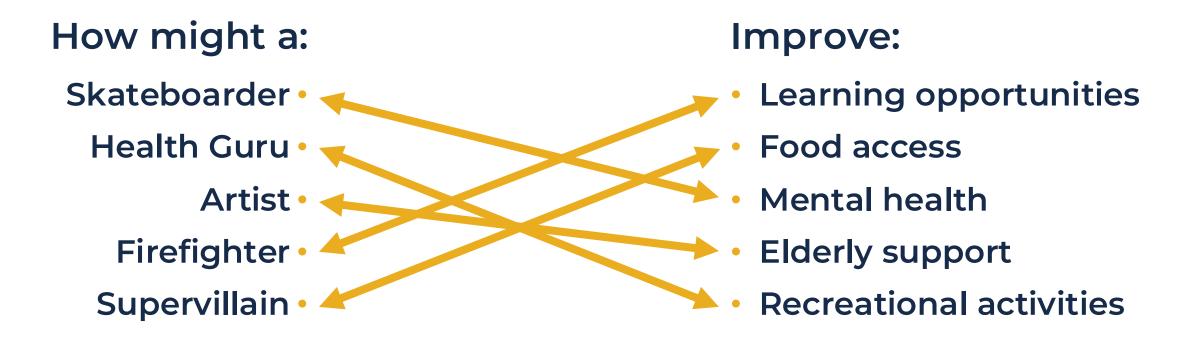

If I was the Lorax, I would want people to support the beauty of the natural environment, so I might propose a Monarch butterfly garden!

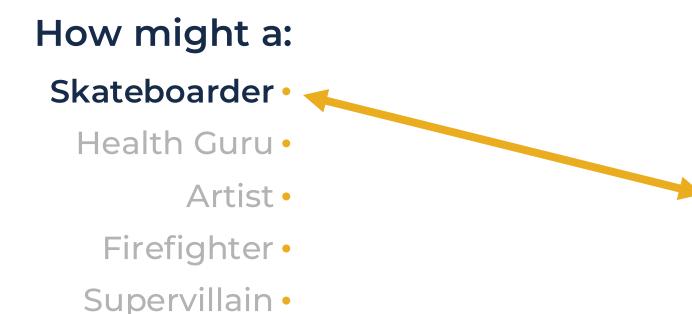

If I was Nemo, I would want an opportunity to spend time at the pool with all my friends and family, so I might propose a neighborhood pool party!

Role-Playing: Mix and Match

15

Role-Playing: Mix and Match

Improve:

- Learning opportunities
- Food access
- Mental health
- Elderly support
