## **Independent Auditor's Report**

Board of Trustees  
Tulsa Public Facilities Authority  
Tulsa, Oklahoma

### **Report on the Audit of the Financial Statements**

#### *Opinion*

We have audited the financial statements of the Tulsa Public Facilities Authority (the "Authority"), a component unit of the City of Tulsa, Oklahoma, as of and for the year ended June 30, 2025, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Authority as of June 30, 2025, and the changes in financial position and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### *Basis for Opinion*

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards* (GAS), issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Authority and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### *Emphasis of Matter*

As discussed in Note 9 to the basic financial statements, during the year ended June 30, 2025, the Authority implemented Governmental Accounting Standards Board (GASB) Statement No. 101, Compensated Absences. Beginning net position has been restated as a result of the implementation of this statement. Our opinions are not modified with respect to this matter.

#### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for twelve months beyond the financial statement issuance date, including any currently known information that may raise substantial doubt shortly thereafter.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, and GAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and GAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Required Supplementary Information***

Accounting principles generally accepted in the United States of America require that the management discussion and analysis, municipal employees' retirement plan schedules, and postemployment benefit other than pension plan schedules be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### ***Supplementary Information***

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Authority's basic financial statements. The debt compliance information is presented for purposes of additional analysis and are not a required part of the basic financial statements.

The supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

**Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated December 8, 2025 on our consideration of the Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control over financial reporting and compliance.

# **TULSA PUBLIC FACILITIES AUTHORITY**

**(A Component Unit of the City of Tulsa, Oklahoma)**

## **MANAGEMENT'S DISCUSSION AND ANALYSIS**

**June 30, 2025**

---

As management of the Tulsa Public Facilities Authority (the “Authority”), a blended component unit of the City of Tulsa (the “City”), we offer readers of the Authority’s financial statements this narrative overview and analysis of the financial activities of the Authority for the year ended June 30, 2025. We encourage readers to consider the information presented here in conjunction with the Authority’s financial statements, which begin on page nine. All dollar amounts, unless otherwise indicated, are expressed in thousands of dollars.

### **Financial Highlights**

- The assets and deferred outflows of resources of the Authority exceeded its liabilities and deferred outflows at the close of the current year by \$194,867. Of this amount, \$162,249 is the net investment in capital assets, \$1,633 is restricted for debt service, \$4,501 is restricted for capital projects, and \$26,484 is unrestricted and may be used to meet the Authority’s ongoing obligations.
- The Authority’s net position increased \$1,650 to \$194,867 as of June 30, 2025.
- The Authority’s total assets decreased by \$50,415 as of June 30, 2025.
- The Authority’s total liabilities decreased by \$51,739 as of June 30, 2025.
- The Authority’s nonoperating revenues increased by \$2,321 for the year ended June 30, 2025.
- The Authority’s operating expenses decreased by \$285 for the year ended June 30, 2025.

### **Overview of the Financial Statements**

The Authority, a legally separate public trust, is reported by the City as a blended component unit. As such, the activities of the Authority are reported in various enterprise funds and internal service funds within the City’s Annual Comprehensive Financial Report. The primary functions of the Authority are to issue revenue bonds, the proceeds of which may be loaned to the City or one of its component units and use bond proceeds to acquire, construct and ultimately lease governmental facilities to the City or one of its component units. The Authority also leases commercial office space to the City and private sector companies and manages the One Technology Center (“OTC”), the BOK Center, and the Arvest Convention Center facilities (“ACC”).

This discussion and analysis are intended to serve as an introduction to the Authority’s basic financial statements. The basic financial statements include: 1) Statement of Net Position, 2) Statement of Revenues, Expenses, and Changes in Net Position, 3) Statement of Cash Flows, and 4) Notes to the Financial Statements.

### **Financial Statements**

The Authority uses fund accounting in its financial statements to demonstrate compliance with finance related legal requirements. A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Authority has one fund type, proprietary, and reports four enterprise funds. Enterprise funds are used to report functions presented as business-type activities. The financial statements of the Authority report information using accounting methods similar to those used by private sector companies. These statements offer short and long-term financial information about its activities.

**MANAGEMENT'S DISCUSSION AND ANALYSIS**  
**June 30, 2025**

---

The Statement of Net Position includes all of the Authority's assets, liabilities and deferred outflows/inflows of resources and provides information about the nature and amounts of investments in resources (assets) and the obligations to creditors (liabilities). It also provides the basis for assessing the liquidity and financial flexibility of the Authority.

All of the current year's revenues and expenses are accounted for in the Statement of Revenues, Expenses and Changes in Net Position. This statement measures the financial success of the Authority's operations over the past year and can be used to determine whether the Authority has successfully recovered all its costs through its user fees and other charges, profitability, and credit worthiness.

The third financial statement is the Statement of Cash Flows. The primary purpose of this statement is to provide information about the Authority's cash receipts and cash payments during the reporting period. This statement allows financial statement users to assess whether the Authority's current cash flows are sufficient to pay its obligations. The statement reports cash receipts, cash payments, and changes in cash resulting from operating, investing, noncapital financing and capital financing activities and provides answers to such questions as where did cash come from, what was cash used for, and what was the change in cash balance during the period. The notes to the financial statements provide additional information necessary for a full and complete understanding of the data provided in the financial statements.

### **Net Position**

The Authority's net position increased \$1,650 to \$194,867 at June 30, 2025. The following table provides a summary of net position:

#### **SUMMARY OF NET POSITION**

	<b>2025</b>	<b>2024 (as restated)</b>	<b>Dollar Change</b>	<b>Percent Change</b>
Current assets	\$ 102,202	\$ 129,563	\$ (27,361)	(21.1%)
Capital assets, net	208,496	212,515	(4,019)	(1.9%)
Other assets	202,082	221,117	(19,035)	(8.6%)
<b>Total assets</b>	<b>512,780</b>	<b>563,195</b>	<b>(50,415)</b>	<b>(9.0%)</b>
Deferred outflow of resources	773	962	(189)	(19.6%)
Current liabilities	56,928	90,843	(33,915)	(37.3%)
Noncurrent liabilities	204,580	222,404	(17,824)	(8.0%)
<b>Total liabilities</b>	<b>261,508</b>	<b>313,247</b>	<b>(51,739)</b>	<b>(16.5%)</b>
Deferred inflow of resources	57,178	57,693	(515)	(0.9%)
Net investment in capital assets	162,249	163,498	(1,249)	(0.8%)
Restricted	6,134	5,600	534	9.5%
Unrestricted	26,484	24,119	2,365	9.8%
<b>Net position</b>	<b>\$ 194,867</b>	<b>\$ 193,217</b>	<b>\$ 1,650</b>	<b>0.9%</b>

Current assets decreased by \$27,361, primarily due to a reduction in accounts receivable from facility operator contributions and a decrease in advances to the City following the payoff of the Series 2019 Capital Improvement Revenue Bonds. Other assets decreased \$19,035 primarily due to a decrease in cash and cash equivalents as bond proceeds are advanced to the City offset by payments from the City on advances. Current liabilities decreased \$33,915 due to decreased bonds payable, arbitrage payable, and advanced

---

ticket sales at the BOK Center and ACC. Noncurrent liabilities decreased \$17,824 primarily due to regularly scheduled debt payments.

**SUMMARY OF CHANGES IN NET POSITION**

	<b>2025</b>	<b>2024 (as restated)</b>	<b>Dollar Change</b>	<b>Percent Change</b>
Operating revenues	\$ 38,072	\$ 37,838	\$ 234	0.6%
Nonoperating revenues	<u>11,121</u>	<u>8,800</u>	<u>2,321</u>	26.4%
 Total revenues	 <u>49,193</u>	 <u>46,638</u>	 <u>2,555</u>	 5.5%
 Operating expenses	 48,512	 48,797	 (285)	 (0.6%)
Nonoperating expenses	1,643	1,762	(119)	(6.8%)
 Total expenses	 <u>50,155</u>	 <u>50,559</u>	 <u>(404)</u>	 (0.8%)
 Loss before contributions	 (962)	 (3,921)	 2,959	 (75.5%)
 Capital contributions	 1,420	 -	 1,420	 100.0%
Capital contributions from the City	<u>1,192</u>	<u>562</u>	<u>630</u>	112.1%
 Change in net position	 1,650	 (3,359)	 5,009	 149.1%
 Net position, beginning of year	 <u>193,217</u>	 <u>196,576</u>	 <u>(3,359)</u>	 (1.7%)
 Net position, end of year	 <u>\$ 194,867</u>	 <u>\$ 193,217</u>	 <u>\$ 1,650</u>	 0.9%

In 2025, the Authority's operating revenues increased \$234 or 0.6% primarily related to increases in the revenue from the BOK Center and ACC, offset by decreases in revenue from OTC leases and parking facility income.

In 2025, the Authority's nonoperating revenues increased by \$2,321, or 26.4%, primarily due to a \$2,926 increase in operating subsidies from the City for the operations of the OTC and ACC, partially offset by a \$611 decrease in investment income.

In 2025, the Authority's operating expenses decreased by \$285, or 0.6%, primarily due to lower interest expenses related to the financing fund that loaned bond proceeds to the City for capital projects, partially offset by increased operating costs associated with OTC operations.

**TULSA PUBLIC FACILITIES AUTHORITY**

**June 30, 2025**

---

**Capital Assets**

The Authority's investment in capital assets as of June 30, 2025 was \$208,496 (net of accumulated depreciation). This investment in capital assets includes land, buildings, equipment, parking garage, leasehold improvements, and artwork. The increase in Buildings is primarily related to electrical, lighting, security, and ADA improvements at OTC and electrical and HVAC at the ACC and BOK Center. The increase in equipment is primarily due to audio and video upgrades at the ACC and upgrades to audio and video equipment, concession and kitchen equipment, and scoreboard at the BOK Center.

**CAPITAL ASSETS**

	<b>2025</b>	<b>2024</b>	<b>Dollar Change</b>	<b>Percent Change</b>
Land	\$ 12,937	\$ 12,937	\$ -	0.0%

## **MANAGEMENT'S DISCUSSION AND ANALYSIS**

**June 30, 2025**

---

### **ECONOMIC FACTORS AND NEXT YEAR'S BUDGETS AND RATES**

The Authority's appointed officials considered many factors when setting the 2025 budget and fees charged for business-type activities. Lease revenues are governed by rates negotiated in long-term leases. Event revenues are uncertain based on the venue and type of event.

At the national level, unemployment remained at 4.1% at the end of fiscal year 2025 compared to 4.1% at the end of fiscal year 2024. Unemployment in the Tulsa Metro was below the national level during fiscal year 2025. The unemployment rate in the Tulsa Metro was 3.3% at the end of fiscal year 2025 compared to 3.7% at the end of fiscal year 2024. The Authority continues to have consistent accounts receivable collections.

Office space vacancy rates in the City increased from 13.6% to 14.7% between July 2024 and June 2025. The commercial real estate leasing environment in Tulsa slightly increased over the course of the year. There has been a flight to quality space as businesses compete for new talent. Tulsa office vacancy is just above the overall U.S. rate of 14.5%.

The BOK Center continues to maintain its status as one of the world's busiest concert venues. In the Q1 2025 ranking cycle, BOK Center was ranked #26 in the world based on ticket sales according to a leading industry publication, Pollstar! In 2025, the Arvest Convention Center received a Facilities & Destinations Magazine Prime Site Award for being a top meeting site in the West.

### **Requests for Information**

This financial report is designed to provide a general overview of the Authority's finances for all those with an interest. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the City of Tulsa, Office of the Controller, 175 East Second Street, Suite 1570, Tulsa, Oklahoma 74103.

**TULSA PUBLIC FACILITIES AUTHORITY**  
**(A Component Unit of the City of Tulsa, Oklahoma)**  
**NOTES TO FINANCIAL STATEMENTS (in thousands of dollars)**  
**June 30, 2025**

---

**1. NATURE OF BUSINESS, REPORTING ENTITY AND SIGNIFICANT ACCOUNTING POLICIES**

**NATURE OF BUSINESS AND REPORTING ENTITY** - The Tulsa Public Facilities Authority (the “Authority”) is a public trust created on March 10, 1981, as the Tulsa Civic Center Authority. On March 12, 1982, the Authority amended its Trust Indenture to change its name to the Tulsa Public Facilities Authority and expand its purposes to promote the acquisition, construction, and operation of various facilities and public improvements in and for the City of Tulsa, Oklahoma (the “City”). The Authority serves as a financing authority for the City as well as an enterprise authority for the operation of the OTC, and the BOK Center and ACC facilities.

The OTC was acquired to consolidate City operations previously located in several locations in or near the central business district in downtown Tulsa and contains approximately 627,000 square feet of commercial office space. Approximately 295,000 square feet are leased by the City and the remaining is available for leasing.

Personnel costs are provided by the City and reimbursed by the Authority. For financial reporting purposes, personnel costs are reported as costs incurred directly by the Authority. Accordingly, the Authority reports these costs in its financial statements and makes appropriate disclosures in the notes to the financial statements. The Authority has no employees. All references to “employees” are references to City employees who perform operation and maintenance work for the OTC. Payments to and amounts owed to employees are part of the payments the Authority makes to the City.

The Arvest Convention Center, opened in 1964, is an award-winning convention center that houses event and banquet space.

The BOK Center was constructed as part of Vision 2025, a project to grow economic and community infrastructure for future generations. The BOK Center is a 19,199 seat state-of-the-art sports and entertainment venue.

The Authority is included in the City's Annual Comprehensive Financial Report as a blended component unit. The five trustees of the Authority are the Mayor and four individuals appointed by the Mayor and confirmed by the City Council. Although it is legally separate from the City, the Authority is reported as if it were part of the primary government because its primary purposes are to issue revenue bonds to finance major capital improvements and manage certain properties on behalf of the City. The Advance Funding Sales Tax Projects Fund is reported by the City as a capital projects fund because it issued debt to finance governmental capital projects. The Stormwater Revenue Bonds Project Fund is reported with the City's Stormwater Management Fund, an enterprise fund. Other financing activities of the Authority are included as an internal service fund and enterprise activities are included as enterprise funds.

**TULSA PUBLIC FACILITIES AUTHORITY**  
**(A Component Unit of the City of Tulsa, Oklahoma)**  
**NOTES TO FINANCIAL STATEMENTS (in thousands of dollars)**  
**June 30, 2025**

---

**1. NATURE OF BUSINESS, REPORTING ENTITY AND SIGNIFICANT ACCOUNTING POLICIES, continued**

**BASIS OF ACCOUNTING** - The financial statements of the Authority are prepared in accordance with generally accepted accounting principles (“GAAP”) as applied to business-type activities of government units. The Governmental Accounting Standards Board (“GASB”) is the standard-setting body for governmental accounting and financial reporting.

The financial statements of the Authority have been prepared on the accrual basis of accounting using the economic resources measurement focus. Revenues, expenses, gains, losses, assets, liabilities and deferred inflows/outflows of resources from exchange and exchange-like transactions are recognized when the exchange transaction takes place. Voluntary nonexchange transactions are recognized when all applicable eligibility requirements are met. Operating revenues and expenses include exchange and nonexchange transactions. Investment income is included in nonoperating revenues.

**Major Enterprise Funds:**

OTC fund accounts for the commercial leasing activities of the OTC building and parking garage in Tulsa, Oklahoma.

BOK Center and ACC fund accounts for the operations of the BOK Center and the ACC; both are sports, entertainment, and convention facilities in downtown Tulsa.

Financing – Advance Funding Sales Tax Projects fund issues revenue bonds, proceeds of which are loaned to the City for the purpose of funding capital projects. The City will transfer to the Authority sales and use tax proceeds to fund debt service.

Financing – Stormwater Revenue Bonds Project fund issues bonds whose proceeds will be used to acquire, construct, equip, furnish, operate and maintain stormwater management projects in the City. The City has a Funding Agreement promising to pay the advance with available revenues, in accordance with the Projects Agreement. The Authority presents the fund as major because of anticipated future activity.

**Nonmajor Fund:**

Financing Parking Bonds Project fund issues revenue bonds, the proceeds of which are loaned to the City or to one of its component units.

**CASH AND CASH EQUIVALENTS** – Cash and cash equivalents reported on the statement of net position include both the amounts deposited within the City’s pooled portfolio and other cash and cash equivalents. The Authority’s cash and cash equivalents included in the City’s pooled portfolio are recorded at the net asset value of their position in the City’s pooled portfolio.

**TULSA PUBLIC FACILITIES AUTHORITY**  
**(A Component Unit of the City of Tulsa, Oklahoma)**  
**NOTES TO FINANCIAL STATEMENTS (in thousands of dollars)**  
**June 30, 2025**

---

**1. NATURE OF BUSINESS, REPORTING ENTITY AND SIGNIFICANT ACCOUNTING POLICIES, continued**

**CASH AND CASH EQUIVALENTS, continued** - The Authority is allocated interest monthly based on its average daily position in the City's pooled portfolio. Changes in fair value of the City's pooled portfolio are allocated annually based on the Authority's position on June 30.

For purposes of reporting cash flows, the Authority considers all highly liquid debt instruments with an original maturity of three months or less when purchased and any amounts held by the City's portfolio pool, to be cash equivalents. The amounts held in the City's pooled portfolio are considered liquid as they are available to be withdrawn on demand, with no redemption restrictions.

**INVESTMENTS** -The Authority invests available funds in accordance with the bond indentures and/or state statutes, authorized investments consist of obligations of the U.S. Treasury and federal agencies and instrumentalities. The investments of the Authority are reported at fair value.

**FAIR VALUE MEASUREMENTS** – Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value is a market based measurement, not an entity specific measurement. For some assets and liabilities, observable market transactions or market information might be available; for others, it might not be available. However, the objective of a fair value measurement in both cases is the same - that is, to determine the price at which an orderly transaction to sell the asset or to transfer the liability would take place between market participants at the measurement date under current market conditions. Fair value is an exit price at the measurement date from the perspective of a market participant that controls the asset or is obligated for the liability. The Authority categorizes its assets and liabilities measured at fair value within the hierarchy established by generally accepted accounting principles. Assets and liabilities valued at fair value are categorized based on inputs to valuation techniques as follows:

Level 1 input – Quoted prices for identical assets or liabilities in an active market that an entity has the ability to access.

Level 2 input – Quoted prices for similar assets or liabilities in active markets and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the asset or liability.

Level 3 input – Inputs that are unobservable for the asset or liability which are typically based upon the Authority's own assumptions as there is little, if any, related market activity.

**Hierarchy** – The fair value hierarchy gives the highest priority to Level 1 inputs and the lowest priority to Level 3 inputs.

**Inputs** – If the fair value of an asset or a liability is measured using inputs from more than one level of the fair value hierarchy, the measurement is considered to be based on the lowest priority level input that is significant to the entire measurement.

**TULSA PUBLIC FACILITIES AUTHORITY**  
**(A Component Unit of the City of Tulsa, Oklahoma)**  
**NOTES TO FINANCIAL STATEMENTS (in thousands of dollars)**  
**June 30, 2025**

---

**1. NATURE OF BUSINESS, REPORTING ENTITY AND SIGNIFICANT ACCOUNTING POLICIES, continued**

**RESTRICTED ASSETS** – Restricted assets of the Authority are restricted under the terms of its bond indentures.

**ACCOUNTS RECEIVABLE** – Accounts receivable are stated net of an allowance for doubtful accounts. The allowance is determined by the length of time accounts receivable are past due and an analysis of the customer's ability to pay. Accounts receivable are written off when deemed uncollectible.

**CAPITAL ASSETS** - Capital assets purchased or acquired are carried at historical cost. Contributed assets are recorded at acquisition value as of the date of the contribution. Interest incurred during the construction phase of capital assets of enterprise activities is expensed in accordance with GASB Statement No. 89. The Authority owns artwork housed at the ACC. The artwork is not depreciated because it meets all the following conditions:

- The artwork is held for public exhibition; with a useful life greater than one year.
- The artwork is protected, kept unencumbered, cared for, and preserved.
- The artwork is subject to an organizational policy requiring that the proceeds from sales of artwork be used to acquire other artwork.

**DEPRECIATION** - Capital assets placed in service are depreciated/amortized on a straight-line basis over the following estimated service lives and have the following capitalization thresholds:

Buildings	30-50 years	\$5
Parking garage	30 years	\$5
Leasehold improvements	24 years	\$5
Equipment	3-20 years	\$5
Land and artwork	Not depreciated	\$5

**UNEARNED REVENUE** – Unearned revenues for the BOK Center and ACC are comprised of arena naming rights, sponsorships, advertising and event deposits and are recognized on a straight line basis over the life of the agreement, generally three to ten years or at the completion of the event. Unearned revenues for the OTC are related to tenant payments in advance for operating expense reimbursement and interest on leases. The related revenues are recognized in the period earned.

**ARBITRAGE REBATES** – Under the Internal revenue Code of 1986, a liability is recorded for excess earnings on the invested proceeds of tax-exempt bonds. The excess earnings are remitted to the Federal Government on every fifth anniversary of each bond issuance.

**TULSA PUBLIC FACILITIES AUTHORITY**  
**(A Component Unit of the City of Tulsa, Oklahoma)**  
**NOTES TO FINANCIAL STATEMENTS (in thousands of dollars)**  
**June 30, 2025**

---

**1. NATURE OF BUSINESS, REPORTING ENTITY AND SIGNIFICANT ACCOUNTING POLICIES, continued**

**ADVANCE TICKET SALES AND REFUNDS** – A liability is recorded for advance ticket sales to be paid to the promoter at the end of an event. These funds are deposited in an escrow account until the event occurs.

**UNAMORTIZED PREMIUMS AND DISCOUNTS** – Original issue premiums and discounts on the Authority's revenue bonds are amortized over the lives of the bonds using the effective interest method.

**COMPENSATED ABSENCES** – Vacation, sick, and floating holiday leave is granted to all regular and part-time employees. The City's policy permits employees to accumulate earned but unused vacation and sick benefits while floating holiday leave terminates at the end of the calendar year. The annual amount of vacation time accrued varies from 14 to 26 days depending upon years of service. The maximum amount of vacation time that may be accumulated is twice the amount which may be earned in one calendar year. Vacation leave is paid out upon termination. The liability for vacation leave is measured using the employee's pay rate as of the fiscal year end. The liability for sick leave is attributable to services already rendered, accumulates, and more likely to be used for time off or otherwise paid in cash or settled through non-cash means. The liability for the floating holiday leave is attributable to services already rendered and more likely to be used to time off prior to the end of the calendar year. The liability for certain types of compensated absences such as parental leave, military leave and jury duty is recognized if the leave has commenced prior to the fiscal year end.

**PENSIONS** – For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Municipal Employees' Retirement Plan ("MERP") and additions to/deductions from MERP's fiduciary net position have been determined on the same basis as they are reported by MERP. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

**OTHER POSTEMPLOYMENT BENEFITS** – Postemployment benefits ("OPEB") are part of an exchange of salaries and benefits for employee services rendered. Of the total benefits offered by employers to attract and retain qualified employees, some benefits, including salaries and active-employee healthcare, are taken while the employees are in active service, whereas other benefits, including postemployment healthcare, are taken after the employees' services have ended. Nevertheless, the benefit constitutes compensation for employee services. The Authority accounts for other postemployment benefit costs on an accrual basis, charging expenses in the period incurred (earned by employees), with a corresponding liability for benefits to be paid in future periods.

**TULSA PUBLIC FACILITIES AUTHORITY**  
**(A Component Unit of the City of Tulsa, Oklahoma)**  
**NOTES TO FINANCIAL STATEMENTS (in thousands of dollars)**  
**June 30, 2025**

---

**1. NATURE OF BUSINESS, REPORTING ENTITY AND SIGNIFICANT ACCOUNTING POLICIES, continued**

**DEFERRED OUTFLOWS/INFLOWS OF RESOURCES** - Deferred outflows of resources represent a consumption of net position that applies to a future period and will not be reported as an outflow of resources (expense) until then. Deferred inflows of resources represent an acquisition of net position that applies to a future period and will not be recognized as an inflow of resources (revenue) until then. The Authority records deferred outflows of resources and deferred inflows of resources related to their participation in MERP and OPEB. The Authority records deferred outflows/inflows related to deferred charges/gains on debt refunding transactions. The Authority also recognized a deferred inflow of resources related to several leases and contribution from the BOK Center and ACC facilities operator.

**NET POSITION** – Net position of the Authority represents the difference between assets and liabilities and deferred inflows/outflows. Net investment in capital assets consists of capital assets net of accumulated depreciation and reduced by the outstanding balances of borrowings used to finance the purchase or construction of those assets. Outstanding balances of borrowings are net of unspent bond proceeds, including bond reserve funds. Net position is reported as restricted when there are limitations imposed on its use either through enabling legislation adopted by the Authority or through external restrictions imposed by creditors, grantors or, laws or regulations of other governments. When an expense is incurred for purposes for which both restricted and unrestricted resources are available, the Authority first applies restricted resources. Unrestricted net position is the difference between assets, liabilities and deferred inflow/outflows of resources that do not meet the definition of net investment in capital assets or restricted.

**LEASES** – The Authority is a lessor for noncancelable leases. The Authority recognizes a lease receivable and deferred inflow of resources on the statement of net position. At the commencement of a lease, the Authority initially measures the lease receivable at the present value of payments expected to be received during the lease term. Subsequently, the lease receivable is reduced by the principal portion of the lease payments received. The deferred inflow of resources is initially measured as the initial amount of the lease receivable, adjusted for lease payments received at or before the lease commencement date. Subsequently, the deferred inflow of resources is recognized as revenue over the life of the lease term.

Key estimates and judgments related to leases include how the Authority determines (1) the discount rate it uses to discount the expected lease receipts to present value, (2) lease term, and (3) lease receipts.

- The Authority uses its borrowing rate for debt specific to leased assets as the discount rate or its incremental rate of borrowing.
- The lease term includes the noncancelable period of the lease. Lease receipts included in the measurement of the lease receivable are composed of the fixed payments from the lessee.

The Authority monitors changes in circumstances that would require a remeasurement of its lease and will remeasure the lease receivable and deferred inflows of resources if certain changes occur that are expected to significantly affect the amount of the lease receivable.

**TULSA PUBLIC FACILITIES AUTHORITY**  
**(A Component Unit of the City of Tulsa, Oklahoma)**  
**NOTES TO FINANCIAL STATEMENTS (in thousands of dollars)**  
**June 30, 2025**

---

**1. NATURE OF BUSINESS, REPORTING ENTITY AND SIGNIFICANT ACCOUNTING POLICIES, continued**

**REVENUE AND EXPENSES** – Operating revenues consist of commercial office space lease revenue and parking garage rental for OTC building and garage, sponsorship and naming rights revenues and facilities use fees for the BOK Center and the ACC; and investment income for the financing funds. Long-term leases govern the rates charged for the commercial office space leased. Long-term agreements also govern the amount of revenue recognized by the BOK Center as sponsorship and naming rights revenue.

Operating expenses consist of all costs incurred to administer the OTC building and garage, the BOK Center, the ACC, including depreciation and amortization of capital assets, and interest costs for financing funds. All revenues and expenses not meeting these descriptions are considered non-operating revenues and expenses.

**INCOME TAXES** - The Authority is nontaxable as a political subdivision under Section 115(1) of the Internal Revenue Code, as amended.

**USE OF ESTIMATES** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

**2. CASH DEPOSITS AND CASH EQUIVALENTS**

**CASH AND CASH EQUIVALENTS** - Cash deposits of the Authority are held within the City's pooled portfolio. The City's pooled portfolio consists primarily of time deposits and other securities guaranteed by the United States Government or its agencies. At June 30, 2025 the Authority maintained a balance of \$13,190 in the City's pooled portfolio which represented 0.87% of the City's pooled portfolio. The City's pooled portfolio and Authority's separately held cash and cash equivalents are collateralized by securities held by the City or its agent in the City's name as of June 30, 2025.

Please refer to the City's Annual Comprehensive Financial Report for additional information on the City's pooled portfolio, including required disclosures of risks and fair value measurement techniques. A copy of the City's separately issued Annual Comprehensive Financial Report can be obtained at [www.cityoftulsa.org](http://www.cityoftulsa.org).

As of June 30, 2025, the Authority has \$40,631 of cash and cash equivalents separately held for the operations of the BOK Center and ACC.

The Authority has money market mutual funds of \$37,700 as of June 30, 2025 which are reported as cash equivalents on the statement of net position.

**Interest Rate Risk** – Interest rate risk is the risk that a change in interest rates will adversely affect the value of an investment.

**TULSA PUBLIC FACILITIES AUTHORITY**  
**(A Component Unit of the City of Tulsa, Oklahoma)**  
**NOTES TO FINANCIAL STATEMENTS (in thousands of dollars)**  
**June 30, 2025**

---

**2. CASH DEPOSITS AND CASH EQUIVALENTS, continued**

The Authority's investment policy is established by bond indentures that provide for maturity of investments as bonds become due or as funds are needed to provide for construction payments.

**Credit Risk** – Credit risk is the risk that the issuer or other counterparty to an investment will not fulfill its obligations. The Authority's bond indentures dictate the types of investments that can be purchased thereby reducing credit risk.

**Custodial Credit Risk** – For deposits with financial institutions, custodial credit risk is the risk that, in the event of the failure of a depository financial institution, a government will not be able to recover its deposits or will not be able to recover collateral securities that are in the possession of an outside party. For an investment, custodial credit risk is the risk that, in the event of the failure of the counterparty, the Authority will not be able to recover the value of its investment or collateral securities that are in the possession of an outside party. The Authority's policy for custodial credit risk requires compliance with provisions of state law and demand deposits be collateralized by at least 110% of the amount not federally insured. The Authority's deposits held separately for the operations of the BOK Center and ACC are collateralized with a letter of credit from Federal Home Loan Bank. All safekeeping receipts for investment instruments are held in accounts in the Authority's name and all securities are registered in the Authority's name. Therefore, at June 30, 2025 none of the Authority's deposits of \$53,822 were exposed to custodial credit risk.

**Concentration of Credit Risk** – The Authority places no limit on the amount that may be invested in any one issuer.

**INVESTMENT INCOME** – Investment income for the year ended June 30, 2025, consisted of:

Interest and dividend income	\$ 3,270
Advance/loan interest income	3,951
Net increase in fair value of investments and cash equivalents	201
	<hr/>
	\$ 7,422

**3. ACCOUNTS RECEIVABLE**

The accounts receivable balance consists primarily of amounts owed at year end for OTC leasing revenues and BOK Center and ACC event revenues.

	<b>OTC</b>	<b>BOK Center and ACC</b>		<b>Total</b>
Accounts receivable:				
Facilities operator contribution	\$ -	\$ 188	\$ 188	
Tenant operating expense reimbursement	349	-	349	
Parking facility revenue	68	-	68	
Event revenue	-	5,800	5,800	
Sponsorship revenue	-	38	38	
Miscellaneous revenue	1	-	1	
<b>Total</b>	<b>418</b>	<b>6,026</b>	<b>6,444</b>	
Less: Allowance for doubtful accounts	-	-	-	
<b>Accounts Receivable, net</b>	<b>\$ 418</b>	<b>\$ 6,026</b>	<b>\$ 6,444</b>	

**4. ADVANCES TO/FROM THE CITY AND RELATED ENTITY**

**ADVANCE FUNDING SALES TAX PROJECTS** – In June 2017, the Authority issued its \$115,300 Series 2017 Capital Improvements Revenue Bonds. The proceeds of the bonds were loaned to the City to advance fund economic development projects in the City of Tulsa, including Arkansas River development. The bonds carry an interest rate of 3%, mature over a period of fifteen years ending June 1, 2032, and have remaining annual debt service requirements ranging from \$9,404 to \$10,775. In October 2018, the Authority issued its \$118,100 Series 2018 Capital Improvements Revenue Bonds. The proceeds of the bonds are loaned to the City to advance fund economic development projects in the City. The bonds carry an interest rate of 4%, mature over a period of thirteen years ending October 1, 2031, and have remaining annual debt service requirements ranging from \$3,366 to \$14,255. In November 2019, the Authority issued its \$113,895 Series 2019 Capital Improvements Revenue Bonds. The proceeds of the bonds were loaned to the City to advance fund economic development projects in the City. The bonds carried an interest rate of 5% and matured over a period of five years ending June 1, 2025. The Series 2019 Bonds were fully repaid as of June 30, 2025.

The Authority has an advance to the City of \$125,626 at June 30, 2025 relating to this agreement. The City will repay the advance with sales and use tax collections to be used by the Authority for principal and interest payments on the outstanding bonds.

**STORMWATER REVENUE BONDS PROJECT** – In May 2020, the Authority issued its \$24,150 Series 2020 Capital Improvements Revenue Bonds. The proceeds of the bonds are being loaned to the City to fund stormwater capital projects in the City of Tulsa. The bonds carry an interest rate of 3%, mature over a period of fifteen years ending May 1, 2035, and have remaining annual debt service requirements ranging from \$1,885 to \$2,048.

**NOTES TO FINANCIAL STATEMENTS (in thousands of dollars)**  
**June 30, 2025**

---

**4. ADVANCES TO/FROM THE CITY AND RELATED ENTITY, continued**

**STORMWATER REVENUE BONDS PROJECT, continued**

In March 2023, the Authority issued its \$8,325 Series 2023 Capital Improvements Revenue Bonds. The proceeds of the bonds are being loaned to the city to fund stormwater capital projects in the City of Tulsa. The bonds carry an interest rate of 3.50%-5.00%, mature over a period of twenty years ending March 1, 2043, and have remaining annual debt service requirements ranging from \$598 to \$645.

In April 2024, the Authority issued its \$6,925 Series 2024 Capital Improvement Revenue Bonds. The proceeds of the bonds are being loaned to the city to fund stormwater capital projects in the City of Tulsa. The bonds carry an interest rate of 4.00%-5.00%, mature over a period of twenty years ending April 1, 2044, and have remaining annual debt service requirements ranging from \$495 to \$533.

In March 2025, the Authority issued its \$10,075 Series 2025 Capital Improvement Revenue Bonds. The proceeds of the bonds are being loaned to the city to fund stormwater capital projects in the City of Tulsa. The bonds carry an interest rate of 4.00%, mature over a period of twenty years ending March 1, 2045, and have remaining annual debt service requirements ranging from \$712 to \$763.

The Authority has an advance to the City of \$24,702 at June 30, 2025 relating to this agreement. The City will repay the advance with stormwater revenues in accordance with the Projects Agreement.

**TULSA PARKING BONDS PROJECT** – In April 2021, the Authority issued its \$4,315 Series 2021 Capital Improvements Revenue Bonds. The proceeds of the bonds were used to refund the Tulsa Parking Authority’s (the “TPA”) revenue bonds. Subsequently, TPA transferred operations, assets and obligations to the City who in turn transferred them to the Tulsa Authority for Economic Opportunity (“TAEQ”). The Authority’s bonds carry an interest rate of 1.25-2.00%, mature over a period of seven years ending April 1, 2028, and have remaining annual debt service requirements ranging from \$651 to \$658. The Authority has entered into a Projects Agreement whereby the City will make principal and interest payments on the bonds. The City has also entered into a Funding Agreement with the TAEQ whereby TAEQ will make the required debt service payments. The Authority has an advance to the TAEQ of \$1,722 at June 30, 2025 relating to this project.

**6. PENSION PLAN**

**Plan Description** – Employees of the Authority are provided with pensions through the Municipal Employees’ Retirement Plan (“MERP”) - a cost-sharing multiple-employer defined benefit pension plan administered by the City. The Authority is not defined as an employer in the MERP plan document, but as described in Note 1, payroll and associated costs of City employees performing functions on behalf of the Authority, are reported in the financial statements of the Authority. MERP provides retirement, disability and death benefits which are established by City ordinance to plan members and beneficiaries. MERP’s financial statements and required supplementary information are included in the City’s Annual Comprehensive Financial Report. The report may be obtained by writing to the City of Tulsa, Office of the Controller, 175 East Second Street, Suite 1570, Tulsa, Oklahoma 74103, or at [www.cityoftulsa.org](http://www.cityoftulsa.org).

**TULSA PUBLIC FACILITIES AUTHORITY**  
**(A Component Unit of the City of Tulsa, Oklahoma)**  
**NOTES TO FINANCIAL STATEMENTS (in thousands of dollars)**  
**June 30, 2025**

---

**6. PENSION PLAN, continued**

**Benefits Provided** – MERP provides retirement, disability, and death benefits. Retirement benefits are determined based on the employee's highest 30 months of pensionable wages during the last five years of service and a multiplier based on the years of service. Employees entering the plan prior to July 1, 2018 are eligible for full retirement at age 65, and at least 5 years of service, or when the years of service plus the employee's age equals or exceeds 80. Reduced benefits are available after age 55 and 5 years of service (Early retirement). Benefits for Early retirement are reduced 2.5% per year prior to age 65. Employees entering the plan on or after July 1, 2018 are eligible for full retirement at age 65, and at least 5 years of service, or when the years of service plus the employee's age equals or exceeds 90. Reduced benefits are available after age 60 and 5 years of service (Early retirement). Benefits for Early retirement are reduced 6.0% per year prior to age 65. Five years of service is required for nonservice-related disability eligibility. Disability benefits are determined in the same manner as normal retirement. Death benefits for vested participants are, at the spouse's election, a refund of contribution plus interest or a life annuity of 50% of the member's accrued benefit determined based on final average earnings and service as of the date of death.

**Contributions** – Contributions are set per City ordinance. Employees were required to contribute 8% of their pensionable wages. The Authority was required to contribute 17% of pensionable wages. Actual contributions to the pension plan from the Authority were \$262 for the year ended June 30, 2025.

**Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions**

The Authority reported a liability of \$1,859 for its proportionate share of the net pension liability as of June 30, 2025. The net pension liability was measured as of June 30, 2025, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of January 1, 2025. Standard update procedures were used to roll forward the total pension liability to June 30, 2025. The Authority's proportion of the net pension liability was based on the Authority's share of contributions to the pension plan relative to the contributions of all participating employers. At June 30, 2025, the Authority's proportion was .8595%.

**TULSA PUBLIC FACILITIES AUTHORITY**  
**(A Component Unit of the City of Tulsa, Oklahoma)**  
**NOTES TO FINANCIAL STATEMENTS (in thousands of dollars)**  
**June 30, 2025**

---

**6. PENSION PLAN, continued**

The Authority recognized pension expense of \$357 for the year ended June 30, 2025. At June 30, 2025 the Authority reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	<b>Deferred Outflows of Resources</b>	<b>Deferred Inflows of Resources</b>
Differences between expected and actual plan experience	\$ 85	\$ -
Changes of assumptions	-	4
Net difference between projected and actual earnings on pension plan investments	-	237
Changes in proportion and differences between Authority contributions and proportionate share of contributions	<u>485</u>	<u>3</u>
<b>Total</b>	<b><u>\$ 570</u></b>	<b><u>\$ 244</u></b>

Amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense (gain) as follows:

<b>Year ended June 30</b>		
2026	\$ 357	
2027	75	
2028	(44)	
<u>2029</u>	<u>(62)</u>	
		<b><u>\$ 326</u></b>

**TULSA PUBLIC FACILITIES AUTHORITY**  
**(A Component Unit of the City of Tulsa, Oklahoma)**  
**NOTES TO FINANCIAL STATEMENTS (in thousands of dollars)**  
**June 30, 2025**

---

**6. PENSION PLAN, continued**

**Actuarial assumptions** – The total pension liability was determined by an actuarial valuation as of January 1, 2025, using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.50 percent
Salary increases	3.50 to 9.50 percent, including inflation.
Investment rate of return	6.75 percent compounded annually, net of investment expense and including inflation

Mortality rates were based on PubG-2010 mortality table. Mortality was projected generationally using Scale MP-2021.

The actuarial assumptions used in the January 1, 2025 valuation were based on the results of an actuarial experience study for the five-year period ending December 31, 2020.

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. The ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by an asset allocation percentage which is based on the nature and mix of current and expected plan investments. This weighted-return is then increased by expected inflation and reduced by assumed investment expense. Best estimates of geometric real rates of return for each major asset class are summarized in the following table:

<b>Asset Class</b>	<b>Target Allocation</b>	<b>Long-Term Expected Real Rate of Return</b>
Fixed income	20.0%	2.75%
Domestic equity	37.5%	6.00%
International equity	24.0%	4.50%
Real estate	12.0%	5.25%
Commodities and timber	5.5%	4.50%
Cash	1.0%	0.50%
Total	<u><u>100%</u></u>	

**TULSA PUBLIC FACILITIES AUTHORITY**  
**(A Component Unit of the City of Tulsa, Oklahoma)**  
**NOTES TO FINANCIAL STATEMENTS (in thousands of dollars)**  
**June 30, 2025**

---

**6. PENSION PLAN, continued**

**Discount Rate** – The discount rate used to measure the total pension liability was 6.75%. The projection of cash flows used to determine the discount rate assumed that employee contributions will be made at the current contribution rate and that contributions from the participating employers will be made as specified in MERP's funding policy. The employer contribution rate was 17% of payroll. Based on those assumptions, MERP's fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of the projected benefit payments to determine the total pension liability.

**Sensitivity of the Authority's proportionate share of the net pension liability to changes in the discount rate** – The following presents the Authority's proportionate share of the net pension liability calculated using the discount rate of 6.75%, as well as what the Authority's proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1 percentage point lower (5.75%) or 1 percentage point higher (7.75%) than the current rate.

	<b>1% Decrease (5.75%)</b>	<b>Current Discount Rate (6.75%)</b>	<b>1% Increase (7.75%)</b>
Authority's proportionate share of the net pension liability	\$ 2,806	\$ 1,859	\$ 1,069

*Pension plan fiduciary net position.* Detailed information about the pension plan's fiduciary net position is available in the City's Annual Comprehensive Financial Report; which can be located at [www.cityoftulsa.org](http://www.cityoftulsa.org).

**NOTES TO FINANCIAL STATEMENTS (in thousands of dollars)**  
**June 30, 2025**

---

**7. OTHER POSTEMPLOYMENT BENEFITS (“OPEB”)**

**General Information about the OPEB Plan**

**Plan Description** – The Authority provides postemployment healthcare benefits for retired employees and their dependents through participation in the City of Tulsa Postretirement Medical Plan (the “Plan”), a cost-sharing multi-employer defined benefit healthcare plan. The Authority is not an employer, but as described in Note 1, payroll and associated costs of City employees performing functions on behalf of the Authority, are reported in the financial statements of the Authority. The benefits, coverage levels, employee contributions, and employer contributions are governed by the City through its personnel manual and union contracts. No assets are accumulated in a trust that meets the criteria in paragraph 4 of GASB Statement 75. The Plan does not issue a stand-alone financial report.

**Benefits Provided** – All health care benefits are provided through the City’s fully insured health plan. The benefit levels are the same as those offered to active employees. Benefits include general inpatient and outpatient medical services and prescriptions. Employees hired prior to July 1, 2018 are eligible for membership in the plan if they retire from the City on or after age 55 with 5 years of service or with age and service totaling 80 points. Employees hired on or after July 1, 2018 are eligible for membership in the plan if they retire from the City on or after age 60 with 5 years of service or with age and service totaling 90 points. Coverage ceases upon eligibility of the member for Medicare. Spousal eligibility is the same timeframe as the employee. Surviving spouses are not eligible to continue coverage after the death of the retiree or active employee eligible to retire. Spousal coverage ends at the earlier of their or their spouse’s (the retiree’s) attainment of age 65. Spouses of employees eligible for benefits and who die in active service can receive coverage.

**Contributions** – Contribution rates are set by the City. Retiree plan participants pay the entire amount of the premium charged by the insurer for coverage thus the City does not directly contribute to the Plan. Retiree and active employee participants are included in the same cost pool used to determine rates set by the insurer. An implicit subsidy results from this method of rate setting.

**OPEB Liabilities, Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources**

At June 30, 2025, the Authority reported a liability of \$56 for its proportionate share of the OPEB liability. The total OPEB liability was measured as of June 30, 2025, and was determined by an actuarial valuation as of January 1, 2024. Standard update procedures were used to roll forward the total OPEB liability to June 30, 2025. The Authority’s proportion of the total OPEB liability was based on the Authority’s share of active employee participants relative to the active employees of all participating employers. At June 30, 2025, the Authority’s proportion was 1.1613%.

For the year ended June 30, 2025, the Authority recognized OPEB expense of \$13.

**TULSA PUBLIC FACILITIES AUTHORITY**  
**(A Component Unit of the City of Tulsa, Oklahoma)**  
**NOTES TO FINANCIAL STATEMENTS (in thousands of dollars)**  
**June 30, 2025**

---

**7. OTHER POSTEMPLOYMENT BENEFITS (OPEB), continued**

At June 30, 2025, the Authority reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

	<u>Deferred Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>
Differences between expected and actual plan experience	\$ 2	\$ 2
Changes of assumptions	1	12
Changes in proportion and differences between Authority's contributions and proportionate share of contributions	18	-
<b>Total</b>	<b>\$ 21</b>	<b>\$ 14</b>

Amounts reported as deferred outflows of resources and deferred inflows of resources related to OPEB will be recognized in the Authority's OPEB expense over the average remaining service lives of plan participant (actives and retirees) as follows:

<u>Year</u>
2026 \$ 4
2027 5
2028 (1)
2029 (1)
<b><u>\$ 7</u></b>

**Actuarial assumptions** – The total OPEB liability was determined by an actuarial valuation as of January 1, 2025 using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation rate	2.50%
Current year healthcare cost trend rate	6.50%
Annual reduction of healthcare cost trend	0.1% - 0.6%
Ultimate annual healthcare cost trend rate	4.04%

25% of future retirees with coverage are assumed to elect healthcare coverage.

Mortality rates for retirees were based on SOA Pub-2010 General Total Dataset Headcount Weighted Mortality Table fully generational using Scale MP-2021. Surviving spouses mortality were based on SOA Pub-2010 Contingent Survivors Total Dataset Headcount Weighted Mortality Table fully generational using Scale MP-2021.

The actuarial assumptions used in the June 30, 2025 valuation were based on the results of an actuarial experience study for the five-year period ending February 29, 2024.

**TULSA PUBLIC FACILITIES AUTHORITY**  
**(A Component Unit of the City of Tulsa, Oklahoma)**  
**NOTES TO FINANCIAL STATEMENTS (in thousands of dollars)**  
**June 30, 2025**

---

**7. OTHER POSTEMPLOYMENT BENEFITS (OPEB), continued**

**Discount Rate** – The OPEB plan is financed on a pay-as-you-go basis, thus a long-term rate of return was not used. The discount rate used to measure the total OPEB liability was 5.20% as of June 30, 2025 based on a yield for 20-year tax-exempt general obligation municipal bonds with an average rating of AA/Aa or higher. The source of the discount rate used is the S&P Municipal Bond 20-Year High Grade Rate Index.

**Discount Rate Sensitivity** – The following presents the Authority's proportionate share of the total OPEB liability calculated using the discount rate of 5.20%, as well as what the Authority's proportionate share of the total OPEB liability would be if it were calculated using a discount rate that is 1-percentage-point lower (4.20%) or 1-percentage-point higher (6.20%) than the current rate:

	<b>1% Decrease (4.20%)</b>	<b>Current Discount Rate (5.20%)</b>	<b>1% Increase (6.20%)</b>
Authority's proportionate share of the total OPEB liability	\$ 60	\$ 56	\$ 52

**Healthcare Rate Sensitivity** – The following presents the Authority's proportionate share of the total OPEB liability calculated using the healthcare cost trend rate of 6.50% decreasing to 4.04%, as well as what the Authority's proportionate share of the total OPEB liability would be if it were calculated using a healthcare cost trend rate that is 1-percentage-point lower (5.50%) or 1-percentage-point higher (7.50%) than the current rate:

	<b>1% Decrease (5.50% decreasing to 3.04%)</b>	<b>Current Rate (6.50% decreasing to 4.04%)</b>	<b>1% Increase (7.50% decreasing to 5.04%)</b>
Authority's proportionate share of the total OPEB liability	\$ 50	\$ 56	\$ 62

**11. PLEDGED REVENUE**

**OTC LEASE REVENUE**- The Authority has pledged future gross lease revenues derived from the operations of OTC facility to repay approximately \$59,650 in lease revenue bonds. Proceeds from the bonds provided financing for the acquisition and improvements of OTC.

Total principal and interest remaining on the debt is \$55,696 with annual requirements ranging from \$4,077 to \$4,413 through 2038. Annual debt service required 53% of gross revenues. Principal and interest paid in the current year amounted to \$4,070. Current year operating revenue totaled \$7,716.

**CAPITAL IMPROVEMENTS SERIES 2008** – The Authority has pledged future sponsorship and naming rights revenues derived from the operation of the BOK Center to repay approximately \$16,000 in Capital Improvements Revenue Bonds. Proceeds from the bonds were used to fund the acquisition, construction, furnishing and equipping of capital improvements and additions to the BOK Center and to fund the Bond Reserve Fund in the amount of 10% of the par amount of the bonds (the “Reserve Requirement”) and to pay the costs of issuing the Bonds. The Authority and the City entered into a year-to-year Projects Agreement, dated as of April 1, 2008, pursuant to which the Authority will issue the bonds and the City has agreed to make payments pursuant to the Projects Agreement sufficient to pay (a) the principal of and interest on the bonds; and (b) all costs and expenses of the Authority in connection with the issuance, sale and delivery of the bonds.

Total principal and interest remaining on the debt is \$2,445 with annual requirements ranging from \$674 to \$1,771 through 2027. Annual debt service required 94% of sponsorship and naming right revenues which are pledged towards the debt under the indenture. The Authority paid \$675 in principal and interest during the year. Sponsorship and naming rights revenue, from which the payments will be made, was \$722 for the current year.

**ADVANCE FUNDING SALES TAX PROJECTS** - The Authority has entered into a Projects Agreement with the City to provide financing for certain capital projects and subsequently issued its Capital Improvement Revenue Bonds, Series 2017, 2018, and 2019. The City has pledged certain sales and use tax revenues to repay the advance from the Authority. The total principal and interest remaining on the debt is \$152,008 with annual debt service requirements ranging from \$12,770 to \$24,361 through 2032. Principal and interest paid during the year amounted to \$53,824. Sales and use tax recorded during the current fiscal year by the City was \$82,369.

**11. PLEDGED REVENUE, continued**

**STORMWATER REVENUE BONDS PROJECT**- The Authority has entered into a Projects Agreement with the City to provide funding for the purpose of acquiring, constructing, equipping, furnishing, operating and maintaining stormwater management projects and subsequently issued its Capital Improvements Revenue Bonds, Series 2020, 2023, 2024, and 2025. The City has pledged available monies for the payment of any indebtedness incurred by or on behalf of the City for the Projects Agreement. The City paid \$3,226 to the Authority on the Projects Agreement in 2025. Total principal and interest remaining on the debt is \$55,047 with annual requirements ranging from \$712 to \$3,947 through 2045. The Authority paid \$3,215 in principal and interest in 2025.

**TULSA PARKING BONDS PROJECT** - The Authority has entered into a Projects Agreement with the City on April 1, 2021 to provide financing to assist with the refunding of debt issued by the TPA and subsequently issued its Series 2021 Capital Improvements Revenue Bonds. The City has pledged available revenues to pay the principal and interest of the Series 2021 Capital Improvements Revenue Bonds issued by the Authority. The City also entered into a funding agreement with the TAEQ requiring TAEQ to make the principal and interest payments required on the 2021 Capital Improvements Revenue Bonds from TAEQ parking facility revenues and other available revenue of TAEQ. The TAEQ paid \$652 to the Authority on the Projects Agreement in 2025. The total principal and interest remaining on the debt is \$1,962 with annual debt service requirements ranging from \$651 to \$658 through 2028. The Authority paid \$651 in principal and interest payments in 2025.

**12. OPERATING LEASE REVENUE**

**OTC LEASES**

The Authority owns the OTC building with commercial office space available. The City leases the building through 2038 and utilizes approximately 47% of the net rentable space with the remaining space available for leasing to other tenants. The Authority recognized \$3,535 in lease revenue and \$1,566 in interest income for the City lease.

The Authority has entered into multiple lease agreements with other tenants with lease terms ranging from one to ten years. The other OTC building tenant's square footage range from 3,376 to 96,258 square feet of net rentable space. At year end, the building was approximately 87% occupied. During the fiscal year, the Authority recognized \$2,564 in lease revenue and \$134 in interest income related to the agreements. These leases also require the tenants pay a portion of the building operating costs. During the year the Authority recorded \$882 in lease revenue related to building operating costs.

The schedule below shows future expected lease receipts, exclusive of the required operating cost payments:

Year	City			Other			Combined Total		
	Principal	Interest	Total	Principal	Interest	Total	Principal	Interest	Total
2026	\$ 2,928	\$ 1,474	\$ 4,402	\$ 1,407	\$ 156	\$ 1,563	\$ 4,335	\$ 1,630	\$ 5,965
2027	3,044	1,378	4,422	1,372	123	1,495	4,416	1,501	5,917
2028	3,171	1,278	4,449	561	98	659	3,732	1,376	5,108
2029	3,444	1,173	4,617	643	81	724	4,087	1,254	5,341
2030	3,653	1,059	4,712	152	68	220	3,805	1,127	4,932
2031-2035	19,958	3,443	23,401	1,785	231	2,016	21,743	3,674	25,417

**13. BOK CENTER NAMING RIGHTS AND SPONSORSHIP AGREEMENTS**

The Authority had \$1,921 in naming rights and sponsorships agreements outstanding at June 30, 2025. During the year, the Authority recognized \$722 in naming rights and sponsorship revenue. Any amounts received but not earned are reflected as unearned revenue on the statement of net position.

The future earnings to be recognized on these agreements are as follows:

<b>Year</b>	<b>Future Earnings</b>
2026	\$ 722
2027	722
2028	447
2029	30
	<hr/>
	\$ 1,921

**14. FACILITIES REVENUE**

The Authority has entered into various agreements for the use of premium seating through 2025. During the year, the Authority recognized \$2,965 in premium seating tickets, \$5,034 in luxury boxes and \$1,216 in club seats, which is included in facility revenue. Any amounts received but not earned are reflected as unearned revenue on the statement of net position.

**15. OPERATING AGREEMENTS**

**ACC AND BOK CENTER LEASE AND PROJECT AGREEMENTS** - The Authority has leased the ACC and BOK Center (the "Facilities") from the City for 25 years, ending June 30, 2032 or such longer period as any indebtedness issued in connection with the Facilities is outstanding. The lease assists the Authority in making financing arrangements that benefit improvements at the Facilities. During the year the Authority received \$1,927 from the City's Lodging Tax to operate and maintain the Facilities.

**ACC AND BOK CENTER MANAGEMENT AGREEMENTS** - On July 28, 2023, the Authority voted to enter into an operating agreement with Global Spectrum, L.P. d/b/a OVG360 beginning September 29, 2023 through June 30, 2033 with the option of two five – year renewals at the sole discretion of the Authority. The contract is subject to annual appropriations and may be terminated by any party.

**NOTES TO FINANCIAL STATEMENTS (in thousands of dollars)**  
**June 30, 2025**

---

**15. OPERATING AGREEMENTS, continued**

**ACC AND BOK CENTER MANAGEMENT AGREEMENTS, continued**

Under the agreement, for the year ended June 30, 2025, OVG earned an annual base management fee of \$233 for the ACC and \$455 for the BOK Center. OVG can also earn annual incentive fees comprised of an Economic Development Fee, Food and Beverage Fee and the Commercial Rights fee. No incentive fees, except the Food and Beverage Fee based upon Gross Food and Beverage Revenue, shall be earned or paid unless the net operating income of the BOK Center and ACC exceeds the net operating income benchmark for the year, as defined in the agreement. The Economic Development Fee is awarded up to \$75 at the discretion of the Authority based on various qualitative factors as defined in the agreement. The Food and Beverage Fee is equal to 3% of Gross Food and Beverage Revenue, plus 7% of Net Food and Beverage Revenue. The Commercial Rights Fee is 17.5% of any Commercial Rights Revenue in excess of an annual threshold, as defined in the agreement. OVG earned a total incentive fee of \$600 for the year ended June 30, 2025.

**16. RISK MANAGEMENT**

The Authority is exposed to various risks of loss related to torts: theft of, damage to and destruction of assets; errors and omissions and natural disasters. The City purchases commercial insurance for general liability and property damage as well as employee health and dental. The Authority is included in the City's insurance policies and would be responsible for deductibles relating to specific claims pertaining to the Authority. There have been no significant reductions in insurance coverage during the year and there were no settlement amounts in excess of the insurance coverage in the current year or in the three prior years.

The Authority also participates in the City's workers compensation self-insurance program. The City retains all risk of loss for workers' compensation claims.

**17. GENERAL LITIGATION**

The Authority is subject to claims and lawsuits that arise primarily in the course of ordinary business. It is the opinion of management that the disposition or ultimate resolution of such claims and lawsuits, if any, will not have a material adverse effect on the financial position, changes in financial position and cash flows of the Authority.

**TULSA PUBLIC FACILITIES AUTHORITY**  
**(A Component Unit of the City of Tulsa, Oklahoma)**  
**NOTES TO FINANCIAL STATEMENTS (in thousands of dollars)**

**18. RELATED PARTY TRANSACTIONS**

During the year ended, the Authority conducted the following transactions with related entities:

**One Technology Center**

Payments from the City for operations	\$ 3,500
Capital contributions from the City for capital improvements	\$ 633
Lease payments from the City for leased space in OTC	\$ 4,394
Lease payments from the TAEQ for leased space in OTC	\$ 64

**BOK Center and ACC**

Operating subsidy from the City for the ACC	\$ 1,927
Capital contributions from the City for capital improvements	\$ 559

**Financing - Advance Funding Sales Tax Projects**

Payments on the advance to the City for capital improvements	\$ 29,015
Payments from the City for bond financing included in advance	\$ 50,633

**Financing - Parking Revenue Bonds Projects**

Payments from the TAEQ related to projects for bond financing included in the advance receivable	\$ 652
--	--------

**Financing - Stormwater Revenue Bonds Projects**

Payments on the advance to the City for Stormwater capital improvements	\$ 12,013
Payments from City related to Stormwater projects	\$ 3,226

**June 30, 2025**

---

**19. RESTATEMENT**

The Authority adopted GASB Statement No. 101, Compensated Absences, in the current year. The statement replaces the requirements of GASB Statement No. 16, Accounting for Compensated Absences. This Statement provides updated guidance on the recognition and measurement of compensated absences and associated salary-related payments. The adoption of this standard resulted in a change to the method used to recognize compensated absences liabilities, primarily due to the revised threshold from “probable” to “more likely than not” for the accrual of certain leave benefits, including sick leave and other types of leave. As a result, the compensated absences liability reported on the Statement of Net Position was remeasured, and the beginning net position for the current year was restated to reflect the cumulative effect of this change. The impact of the restatement on beginning net position is summarized as follows:

	<b>One Technology Center</b>	<b>Business-Type Activities Total</b>
Net position, beginning of year	\$ 3,506	\$ 193,287
Adjustment applicable to prior periods	(70)	(70)
Net position, beginning of year as restated	<b>\$ 3,436</b>	<b>\$ 193,217</b>

**20. COMMITMENTS**

As of June 30, 2025, the Authority had open commitments for construction projects of approximately \$217.

**21. FUTURE CHANGES IN ACCOUNTING PRONOUNCEMENTS**

GASB Statement No. 103 – *Financial Reporting Model Improvements*, Issued in April 2024, this Statement will be effective for the Authority beginning with its fiscal year ending June 30, 2026. This Statement will improve key components of the financial reporting model to enhance its effectiveness in providing information that is essential for decision making and assessing a government’s accountability. This Statement also addresses certain application issues.
