FILM PERMIT APPLICATION

Summary of Production

Production Title: Wild Flowers

Date(s) of Project: Saturday, Nov. 14, 2026

Location: Starting Address: 1125 S Lewis Ave

Council District(s): 5

Ending Address: 1125 S Lewis Ave

Film Description: Wild Flowers by Storyteller Productions' Beth Turner: When Jay finds her friend, Sophia amid scenic wild flowers along Tulsa's iconic Route 66, the two take a journey without ever leaving the spot. Throughout the film you feel the friends are lost on one of our many walking trails. In the end you find they've been in the heart of our city all along. With a goal of reminding us of the beauty within our not-so-concrete city, and how you'll find a friend right around the corner. Expected release in the New Year, join a story that sparks a conversation about kindness on screen and in our communities. Two actors, one continuous scene on the sidewalk of 11th St and Lewis Ave in the area of Doctor Kustom/Visit Tulsa. Sidewalk area space needed will not impede pedestrian access. Having it blocked for potential sound purposes would be helpful. storytellerproductionsllc@gmail.com. See attachment(s). Due to weather, road construction, scheduling conflicts, or unforeseen circumstances, the dates, locations, and times are subject to change.

Mitigation of Impact

Please describe your plan for cleanup and removal of recyclable goods, waste and garbage during and after your event:

My goal is that by partnering with a local business all cleanup will be included and contained within their facility. If that is not the case, it'll be in the back of my vehicle.
NOTE: If there are any issues with day one, this provides a backup to shift to same hours, the next night/morning.
